**Subject:** Freedom of Information Act Request

Dear Sir or Madame:

This is a request under the Freedom of Information Act.

I request all Office of Inspector General - EPA records and documents detailing investigations into employees abusing drugs or alcohol while employed at the agency.

I am seeking records from 01/01/13 through 03/30/2018. That includes, but is not limited to, investigations into workers who abused substances during work hours and any non-work investigations the OIG looked into, including DUI, possession or any other crime involving drugs or alcohol.

This request includes cases that have been closed and rejected for prosecution.

I am a news media representative affiliated with The Washington Times newspaper. This request is made as part of a news gathering effort and not for commercial use.

I believe a media waiver should apply to all fees for this request. Should the media waiver not apply, please contact me if fees exceed \$25.

Disclosure of the requested information to me is in the public interest because it is likely to contribute to the public understanding of operations in the government.

Thank you for your consideration of this request.

Sincerely,

Jeff Mordock
